Dear Ms. Gervais,

Copies of the following documents will be provided to the Executive Committee of the FGPS:

First Evaluation

The "Thesis Examiner's Report" forms and the reports submitted by the four evaluators on the first version of the thesis.

The dean's letter informing the student of the results of the first evaluation.

Second Evaluation

The exchanges between the dean and the student regarding documents the student submitted along with his revised thesis.

The "Thesis Examiner's Report" forms and the reports submitted by the four evaluators on the revised version of the thesis.

A series of e-mails between the dean and the student (sometimes including other individuals either directly or in cc) starting on 20 January 2013 and continuing till 30 January 2013 informing the student of the results of the second evaluation and then responding to points raised by the student regarding the choice of evaluators.

The dean's letter informing the student of the results of the second evaluation.

A table showing the names of the evaluators and their verdicts on the two versions of the thesis.

A chronology of events, starting from 19 October 2011, when the thesis was first submitted and extending till 1 February 2013.

A copy of the package can be provided to the student if he so wishes.

Regards,

Subject: Question regarding student appeal

Dear Dr. Moriarty,

I am writing on behalf and with the permission of Nicholas Ali (student 5033260) who is in cc to this email.

Mr. Ali will be filing an appeal to the Executive Committee of the FGPS regarding a decision letter signed by Dean Ross Hastings and dated January 30th 2013. Could you please let us know what information/documents other than the letter of appeal/documentation provided by the student will be used by the Executive Committee in reaching their decision?

Thank you and best regards,

Mireille
